REASONS FOR ALLOWANCE

Claims 5, 6, 8, 10-12, 14, 16, 18, 19, 26, and 28 are allowed. The following is an examiner's statement of reasons for allowance: Referring to independent claims 5, 10, 14, 16 and 26, the claims now recite the allowable subject matter indicated in the previous Office Action, specifically, a synthetic-resin made cover configured to cover the injection portion of the support wall, the cover being fixed to the support wall by a plurality of locations along the first edge portion to the third edge portion of the injection portion. These features, in combination with the rest of the elements or steps, are not taught or suggested by the prior art references. Claims 6 and 8 depend, either directly or indirectly, from claim 5, claims 11 and 12 depend, either directly or indirectly, from claim 10, claims 18 and 19 depend, either directly or indirectly, from claim 16, and claim 28 depends from claim 26. These claims are, therefore, allowable for at least the reasons provided above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
